

## Hialeah Hospital Announces New Chief Operating Officer

Hialeah Hospital is proud to announce the appointment of Patrick Downes as the hospital's new Chief Operating Officer.

Downes comes to Hialeah Hospital with several years of large physician group and hospital administrative experience. Before his promotion, Downes was the Associate Administrator for Tenet Florida Physician Services, where he managed the recruitment and business development operations of the expanding 70-member physician practice management group. Prior to that, Downes held the position of Associate Administrator at North Shore Medical Center.
